

ACROPOLIS INSTITUTE OF TECHNOLOGY AND RESEARCH, INDORE

DEPARTMENT OF INFORMATION TECHNOLOGY

Presents

AI मंथन 2.0

INNOVATE • CODE • TRANSFORM

ROUND 1 — RULES & GUIDELINES

Official rulebook for the Idea Submission Round • Theme: Artificial Intelligence & Emerging Technologies

EVENT DATES	TEAM SIZE	ROUND 1	FINALE
31 Oct – 01 Nov 2026	1 to 4 Members	Online PPT / Idea	24-Hr Offline, Indore

1 Eligibility & Teams

- AI-Manthan 2.0 is open to **students, developers, and change-makers from across India**.
- Teams may consist of **1 to 4 members**.
- Each participant should be registered as part of only one team.
- Cross-college and interdisciplinary teams are welcome.

2 Round 1 — Idea Submission

ONLINE

- Round 1 is an **online PPT/idea submission round**.
- Each team must submit **one PPT/PPTX/PDF** presenting their proposed solution.
- The idea must address a relevant **problem statement/domain** under the theme **Artificial Intelligence & Emerging Technologies**.
- The official PPT format and problem statements will be shared with registered participants.
- Submissions must be made within the **announced deadline**. Late submissions may not be considered.

3 What Your PPT Should Cover

7 KEY POINTS

Teams should clearly communicate the following seven points:

Problem Statement

What problem are you solving?

Innovation

What makes your approach different?

Feasibility

Can the solution realistically be developed and deployed?

Future Scope

How can the solution be scaled or improved?

Proposed Solution

How does your solution address it?

Technology

What technologies, AI/ML methods, or tools will be used?

Impact

Who benefits from the solution and what impact can it create?

4 Originality & Intellectual Property

- All submitted ideas and content must be **original** and should not infringe upon another person's or organization's intellectual property.
- **Plagiarism, copied ideas presented as original, or unauthorized use of copyrighted material** may lead to disqualification.
- Teams are responsible for ensuring that any third-party assets, datasets, APIs, models, libraries, or resources used in their proposed solution are appropriately permitted and acknowledged.
- Participants retain ownership of their original ideas and work, subject to any applicable third-party licenses.

5 Responsible Use of AI

- AI tools may be used for **ideation, research, content assistance, or technical exploration**, where appropriate.
- Teams must understand and take responsibility for everything included in their submission.
- AI-generated content should not be presented as original human work when it incorporates someone else's copyrighted or proprietary material.
- Teams should be able to explain their proposed technical approach and use of AI if asked by the organizers or judges.

6 Code of Conduct

All participants are expected to:

- Maintain respectful and professional conduct.
- Treat fellow participants, organizers, mentors, and judges with respect.
- Avoid harassment, discrimination, abusive behavior, or disruptive conduct.
- Follow all instructions and communications issued by the organizing team.

Any serious violation may result in **disqualification from the hackathon**.

7 Submission Integrity

- Each team is responsible for submitting the correct and final version of its presentation.
- Teams should verify their files before submission.
- Once the submission deadline has passed, changes may not be accepted.
- **False information or deliberate misrepresentation** of a project may result in disqualification.

8 Shortlisting for Round 2

FINALE

- Based on the Round 1 evaluation, selected teams will be invited to participate in the **24-hour offline finale at Acropolis Institute of Technology & Research, Indore**.
- Shortlisted teams will receive further instructions regarding Round 2, including venue details, reporting requirements, and participation formalities.
- Participation in Round 2 is subject to the applicable **Round 2 team fee** communicated by the organizers.

9 Organizer's Rights

- The organizers reserve the right to modify event schedules, guidelines, or procedures when necessary.
- The organizers may disqualify submissions that violate the hackathon rules or compromise the fairness and integrity of the competition.
- Decisions of the organizing and judging panel shall be **final and binding**.
